The Honorable Edward R. Johnston  
High Commissioner  
Trust Territory of the Pacific Islands  
Saipan, Mariana Islands 96950

Dear Mr. Johnston:

It was nice to see you yesterday at the Ilikai conference regarding the economic development of Micronesia.

I am glad to know that Bob Law will soon be established in your liaison office in Honolulu. If we can do anything to help him in setting up the office, please let me know.

With regard to your letter of March 23, 1970 in which you asked for information from the AEC regarding the radiological safety of the Peter-Obse-Tare complex of islands at Bikini Atoll, as I told you yesterday, this information will have to come from our Washington Headquarters. I have referred your letter to that office and I understand they will reply directly to you on this matter - hopefully within the two-week time frame mentioned in your communication of March 23.

Sincerely yours,
